

SIGTTO COMPETENCY STANDARDS FOR SEAFARERS

SERVING ON LPG CARRIERS

Course aim and objectives: This course provides the required knowledge to the participant for understanding the provisions of SIGTTO (Society of Gas Tanker & Terminal Operators) for the specific training and competency of officers required for serving on board LPG carriers in addition to the minimum STCW training and competency requirements. Furthermore, participants will be able to comprehend the SIGTTO LPG Experience Matrix and identify training needs as a paramount safety control by SIGTTO for the officers serving on LPG carriers

Course main elements:

- Introduction to SIGTTO LPG training and competency guidelines
- SIGTTO Experience Matrix for officers serving on LPG carriers
- Industry requirements for LPG seafarers
- Relevant STCW mandatory training and competency standards
- Identification of training needs and assessment of risk related issues
- Workshops and practical exercises

Course participation: The course is open to shipping company managers, superintendents, internal auditors and office employees with responsibilities in assessing and verifying the required competency standards for officers serving on LPG carriers.

Course duration: 1 day This training is provided with real time instruction through zoom platform in a pre-scheduled interactive learning session

Course Schedule: 10:00 - 17:00 hours

Registration: Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: training@dynamarine.com Tel: (+30) 210 894 1667

Fees: Euros 350 per day per participant. Discount of 10% is offered to individual participants registering to this course. Group discounts of 15% are also arranged for companies registering 3+ participants

Instructor: Capt. Titos Giannakakis - Senior Maritime Trainer & Marine Consultant - DYNAMARINE Academy
