

## NAVIGATION ASSESSOR

**Course Aim & Objectives:** The course complements the maritime assessor training by providing additional knowledge for learning the skills and becoming qualified in conducting navigation competency assessments by learning assessment techniques for enhancing performance and closing potential gaps. The course integrates assessment techniques on key elements of bridge team technical skills combined with assessment of *behavioral bridge team competencies* for proactive identification of gaps and training needs as well as improvement of navigation skills, overall navigation safety performance and for enhancing competency standards of the bridge team members

### Course main elements:

- Organizing navigation competency assessments
- Identifying and setting assessment objectives, conditions, and standards
- Navigation assessment methods and techniques
- Performing navigation behavioral competency assessments
- Performance measurement of behavioral competencies
- Identification of potential gaps and training needs
- Development and implementation of a performance improvement plan
- Practical workshops, and final examination

**Course Participation:** The training is open to shipping company marine managers, fleet superintendents, internal auditors, bridge team senior members as well as office personnel responsible for conducting navigation competency assessments for improving performance. Participants, for successful completion of the course and achieving a *Certificate of Completion as Navigation Assessors*, are required to prepare and submit during the training a *navigation assessment plan* for verification of performance standards of the bridge team members

**Course duration: 1 day** This training is provided with real time instruction through zoom platform in a pre-scheduled interactive learning session

**Course Schedule:** 10:00 – 17:00 hours daily

**Registration:** Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: [training@dynamarine.com](mailto:training@dynamarine.com) Tel: (+30) 210 894 1667
