

## MARINE INTERNAL AUDITOR OF ISM, ISPS, MLC

**Course aim and objectives:** This course provides the knowledge for conducting combined scope ISM, ISPS, MLC management system audits and qualifies participants for compliance with the relevant requirements. The Maritime Labor Convention (ILO-MLC 2006) does not stipulate a requirement for internal audits, however, MLC inspections can be integrated in the company's safety management system and carried out accordingly

**Course main elements:**

- ISM, ISPS, MLC relevant requirements
- Performing harmonized audits of a safety management system
- Joint elements with focus on differences
- Development of harmonized internal audit programs
- Audit investigation techniques and auditor skills
- Planning, conducting, reporting, and following up on the audit process
- Determining and handling of a non-conformity
- Practical exercises, case studies and final examination

**Course participation:** The course is open to shipping company safety, quality managers, designated person(s), company security officers, fleet superintendents with auditing responsibilities as well as shipboard team members involved in the audit process. Prior knowledge of the ISM, ISPS Codes and MLC 2006 is recommended for better participation in the course

**Course duration: 2 days** This training is provided with real time instruction through zoom platform in two pre-scheduled interactive web-based learning sessions

**Course Schedule:** 10:00 - 17:00 hours daily

**Registration:** Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: [training@dynamarine.com](mailto:training@dynamarine.com) Tel: (+30) 210 894 1667
