MARINE INTERNAL AUDITOR - ISM CODE

Course aim and objectives: The ISM Code is mandatory and requires shipping companies operating ships to implement a safety management system for safe management and pollution prevention. This course provides participants with the knowledge for conducting management system verification and qualifies candidates to become company internal auditors according to established auditing principles for performing periodical internal audits of the safety management system

Course main elements:
- ISM Code requirements for SMS implementation
- Safety Management System risk control dynamics
- Audit guidelines, audit risks and auditor's skills
- Audit investigation techniques
- Planning, conducting, reporting, and following up on the audit process
- Determining and handling a non-conformity
- Practical workshops and final examination

Course participation: The course is open to shipping company managers, superintendents, and office personnel with auditing responsibilities as well as shipboard team members involved in the audit process

Course duration: 2 days This training is provided with real time instruction through zoom platform in two pre-scheduled interactive learning session

Course Schedule: 10:00 - 17:00 hours daily

Registration: Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: training@dynamarine.com Tel: (+30) 210 894 1667

Fees: Euros 350 per day per participant. Discount of 10% is offered to individual participants registering to this course. Group discounts of 15% are also arranged for companies registering 3+ participants

Instructor: Capt. Titos Giannakakis - Senior Maritime Trainer & Marine Consultant - DYNAMARINe Academy
